1 Research Question

2 Aims and Objectives

2.1 Project Overview

Modern news consumption started with the newspaper; despite moving online these roots can still be seen in the user interfaces of digital news platforms such as the BBC News website and mobile app.

2.2 Deliverables and Goals

3 Background and Rationale

3.1 Previous Work in the Field

3.2 Motivation for the Project

4 Literature Review

4.1 Interfaces for Online News Consumption

4.2 Infinite Scrolling User Interfaces

4.3 Social Media Design for Increasing User Engagement

5 Methodology

5.1 Development Methodology

5.2 Project Management

6 Project Timeline
